2025 Parent Packet

Welcome Parents and Campers!

This Parent Information packet has been provided to familiarize you with basic camp procedures and policies. By working together, we can better satisfy all expectations.

The Jr Beach Lifeguard Program is designed with the following objectives in mind:

To provide a fun and safe atmosphere where all children feel welcome,
To offer campers a positive recreation experience,
To create environments that will cultivate friendships,
To help shape great future citizens; and
To contribute to the positive growth and development of our campers.

Operational Procedures and General Information

This program focuses on providing water safety education in an environment that is fun while building teamwork, physical conditioning and respect for each other and the environment. All participants will receive First Aid lessons including CPR certification and learn basic lifeguard rescue skills – swimming, paddle board, and jet ski rescues.

Children must be in good physical condition to participate in this program and successfully complete a tryout. Tryouts consist of a 100-yard swim unassisted, treading water for 5 minutes and a 10-yard underwater swim.

Program Dates: June 2-6 (Ages 8-12) - June 9-13 (Ages 13-16)

Program Hours: Monday - Friday 10:00 a.m. – 3:00 p.m.

Program Hours: Children may be dropped off at camp at Tower 0 at 10:00 a.m. and picked up no later than 3:00 p.m. To keep all our campers' safe, children must be checked in and signed out each day. Children may **not** be picked up by anyone other than those listed on their registration forms. **(Please be prepared to show a valid photo I.D. every day when picking up a child.)**

Videotape, Photographic, and Sound Release: Camp participants may be photographed and/or videotaped while participating in camp activities. Any videos or photographs will be used for educational, training, and promotional purposes only.

Allergies: Please notify the camp staff if your child is allergic to any common foods, sunscreen, or other substances that they may encounter at camp. Additionally, if the child requires medication to treat a serious allergic reaction, please fill out a Medication Form.

Illness: Please do not bring your child to camp if they are vomiting, running a fever, or showing signs of a contagious disease or condition such as head lice, pink eye, chicken pox, swine flu, or ringworm. If a child becomes sick while at camp, staff will call the parent or emergency contact person. Sick children need to be picked up as soon as possible.

Federal ID: For income tax purposes, the **City of Clearwater F.E.I.D. # is 59-6000-289**. The Fire & Rescue Department does not provide a statement of fees paid, we suggest keeping your receipts and/or cancelled checks.

Refund Policy: All refund requests are subject to Fire Administration approval. All refund requests must be made by filling out a Refund Request Form and submitting it to the supervisor at least 10 business days prior to the session for which the refund is being requested. A \$10 processing fee will be assessed on all refunds. **Refunds will not be considered for requests submitted 9 or fewer business days before the session begins or for children suspended or expelled due to behavior problems.** All refunds will be paid by check, please allow 4 to 6 weeks for refunds to be processed.

Lunch: Have your child bring his or her non-perishable lunch and drink to camp. With childhood obesity on the rise, parents are encouraged to pack a healthy lunch for their child and avoid sending candy and sodas for lunch or snacks. Refrigerators and microwaves are not available.

Visitors: For the safety and protection of all our campers, visitors (relatives, neighbors, and friends) are not allowed to attend camp unless they are registered in camp. Adult volunteers must complete the City of Clearwater volunteer application and background check.

Attire: Appropriate swimsuit attire must be worn as well as flip flops. A water bottle, towel and sunscreen should also be brought each day. Mark all personal gear with a permanent marker.

Camp Shirts: Campers will receive an official camp sun shirt as part of the program; this shirt **MUST** be worn at all times during camp. Shirts are worn over the swimsuit.

Lifeguard Vehicles and Watercraft: Participants will be riding in lifeguard vehicles during daily operations and be given training on the Lifeguard Personal Rescue Watercraft as a crewperson. Participants will not be operating vehicles or watercraft and will be under constant supervision.

Sunscreen: Children will be participating in outdoor activities daily and will be exposed to the Florida sun. To avoid sunburns, it is recommended that parents apply a waterproof sunscreen to children each day before they come to camp and send in a spray bottle of sunscreen (labeled with the child's name) for later applications. Staff is not responsible for applying sunscreen to the children but will assist as needed.

What Not to Bring to Camp: Please do not allow children to bring toys, real or fake weapons or dangerous items, video games, MP3 players, cell phones or other expensive items to camp. Even under close supervision, these items tend to get damaged, lost or stolen. The city assumes no responsibility for the loss or damage of personal items or clothing brought to camp.

Campers with Special Needs: Campers come in all shapes, sizes, and abilities. City of Clearwater camps celebrate individual uniqueness and embrace the diversity of the children in our camp community. Children with special needs who can function in a group setting are included into their age appropriate group. We have found that this type of inclusion encourages kindness, respect, and acceptance which positively impacts all children in camp.

Custody Arrangements: The City of Clearwater recognizes that some families may have unique custody arrangements. Specific court orders will be necessary for staff to deny access to any legal parent/adult. We encourage families to find solutions to custody issues without putting children and/or staff in a difficult position.
