**NOTICE IS HEREBY GIVEN** that the following addendum serves to provide clarification and to answer the questions received on RFP 47-24, Fleet Process Study.

Question 1: At the bottom of page 16 in paragraph 3, the proposal states, "Companies responding to this RFP will explain their experience with inspections and construction management services in RESPONSE ELEMENTS, Tab 2 - Demonstrated Experience of Company and Project Personnel." Can you please clarify whether the city wants to see experience in inspections and construction management or organizational and best practice analysis?

***Answer to Question 1: This was an error when finalizing the solicitation. Inspection and construction management is not part of this solicitation. The City is seeking an experienced consultant to perform an organizational and best practice analysis.***
