2023/2024 Consolidated Annual Performance and Evaluation Report (CAPER)

City of Clearwater, Florida February 6, 2025

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City of Clearwater is designated an Urban City and entitlement grantee of the Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME), which are administered federally by the U.S. Department of Housing and Urban Development (HUD). Additionally, the City of Clearwater participates in the State Housing Initiatives Partnership (SHIP) and Pinellas County Housing Trust Fund (PCHTF) programs to support affordable housing initiatives.

The City's most recent Five-Year Consolidated Plan for CDBG and HOME established seven (7) goals for the five-year planning period spanning federal Fiscal Years (FY) 2020/2021-2024/2025. This Consolidated Annual Performance and Evaluation Report (CAPER) provides reporting for the fourth year (FY 2023-2024) of the Five-Year Consolidated Plan. These seven (7) goals and the corresponding one-year goal outcomes are as follows:

<u>Goal 1: Program Administration</u> – Administer the City of Clearwater's federally funded grant programs to implement the goals of the Five-Year Consolidated Plan. During FY 2023-2024, the City of Clearwater continued to administer the Federal CDBG and HOME programs under its entitlement grants. Although there are no numerical outcomes to report for this goal, the City's Federal allocation covered all program-related administrative expenses.

<u>Goal 2: Housing</u> – *Provide availability of, and accessibility to, decent affordable housing for the residents of the City of Clearwater*. <u>Objective</u>: During FY 2023-2024, the City of Clearwater planned to construct 91 rental units; rehabilitate 9 rental units; construct 8 homeowner units; rehabilitate 7 homeowner units; assist 12 households with direct financial assistance such as down payment and closing costs; and assist 60 households with tenant-based rental assistance/rapid rehousing. <u>Outcome</u>: The City assisted 2 households with down payment and closing costs (17% of goal) and constructed 6 homeowner housing units (75% of goal). In addition, the City assisted 28 households with non-federal funds. This included 17 down payment assistance loans, 7 new single-family homes, and 4 single-family rehabilitation loans. The City's use of SHIP funds facilitated the development of 7 single-family homes and the rehabilitation of 4 homeowner-occupied residences in FY 2023-2024. The City completed 18 down payment assistance loans in FY 2023-2024 referenced previously utilizing SHIP and ARPA funds. Using General Funds, converted from American Rescue Plan Act Local Fiscal Recovery Funds allocated to affordable housing, the city rehabilitated 2 owner-occupied homes at a cost of \$58,474.45 and rehabilitated a 179 rental unit project at a cost of \$500,000 using ARPA and PCHTF; the city also provided funds for 7 downpayment loans totaling \$315,000; and 1 grant for down payment assistance totaling \$15,000 using ARPA.

<u>Goal 3: Homelessness</u> – *Help to prevent and reduce homelessness within the City of Clearwater*. <u>Objective</u>: During FY 2023-2024, the City of Clearwater planned to assist 4,630 homeless persons with public facility or infrastructure activities and 280 homeless persons with public service activities. <u>Outcome</u>: The City assisted 3,225 homeless persons (70% of goal) with public facility or infrastructure activities and 124 homeless persons (44% of goal) with public service activities.

<u>Goal 4: Non-Homeless Special Needs</u> – *Expand the accessibility and coordination of social services to City of Clearwater special needs populations*. <u>Objective</u>: During FY 2023-2024, the City of Clearwater planned to assist 10,978 special needs persons with public facility or infrastructure activities and 125 special needs persons with public service activities. <u>Outcome</u>: The City assisted 6,265 special needs persons (57% of goal) with public facility or infrastructure activities, and 114 special needs persons (91% of goal) with public service activities.

<u>Goal 5: Community Development & Public Services</u> - Enhance the living environment for persons in low- and moderate-income areas through community development activities, public service programs, and elimination of blight. <u>Objective</u>: During FY 2023-2024, the City of Clearwater planned to assist 564 persons with public facility or infrastructure activities, 285 persons with public service activities, and demolish 3 buildings. <u>Outcome</u>: The City assisted 1,261 persons (224% of goal) with public facility or infrastructure activities and 150 persons (53% of goal) with public service activities, and demolished 1 building (33% of goal).

<u>Goal 6: Economic Development</u> - Support programs that create economic opportunities in the City of Clearwater, particularly for persons of low and moderate income and in Neighborhood Revitalization Strategy Areas (NRSAs). Objective: During FY 2023-2024, the City of Clearwater planned to assist 5 businesses with facade improvements and 42 businesses with microenterprise/entrepreneurial technical assistance. Outcome: The City assisted 42 businesses (100% of goal) with microenterprise/entrepreneurial technical assistance. Improved performance under this goal will be a focus area in FY 2024-2025.

<u>Goal 7: Emergency/Disaster Response</u> - Provide assistance prior to, during, and after a community emergency and/or disaster event to prepare for and/or mitigate loss, protect during an event, and aid with recovery. <u>Objective</u>: During FY 2023-2024, no activities were planned for emergency/disaster response. <u>Outcome</u>: No activities were funded for emergency/disaster response. This goal is intended to be invoked only upon urgent need.

The City of Clearwater administered and delivered its federally funded CDBG and HOME programs during FY 2023-2024. Key efforts during the program year included the provision of public facilities and services for homelessness and special needs, production and rehabilitation of affordable housing units, provision of overnight shelter for homeless persons, and assistance to businesses.

Table 1 – Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

During FY 2023-2024, CDBG, HOME, and SHIP funds were used to address high priority needs by providing homebuyer education and counseling; construction of affordable housing; public services and shelter for eligible populations; and economic development opportunities. The City of Clearwater expended \$2,074,083 in regular CDBG funds out of an available \$2,914,262 in combined entitlement, program income, and prior-year resources.

<u>Goal 1: Program Administration</u> – Administer the City of Clearwater's federally funded grant programs to implement the goals of the Five-Year Consolidated Plan. There are no numerical outcomes to report for this goal, the City's Federal allocation covered all program-related administrative expenses for CDBG and HOME.

<u>Goal 2: Housing</u> – *Provide availability of, and accessibility to, decent affordable housing for the residents of the City of Clearwater*. The City addressed this goal through completion of the following activities: provision of homebuyer down payment/closing cost assistance for 2 households through Tampa Bay Community Development Corporation, the construction of 6 homeowner housing units.

<u>Goal 3: Homelessness</u> – *Help to prevent and reduce homelessness within the City of Clearwater*. The City addressed this goal through the Homeless Emergency Project, Inc. (HEP), St. Vincent de Paul Community Kitchen and Resource Center (SVdP), Hope Villages of America, and Metropolitan Ministries, which provided emergency shelter and critical support facilities to 3,311 persons experiencing homelessness in the City of Clearwater. The City also supported the provision of public services by The Kimberly Home, Inc., which served 38 homeless persons.

<u>Goal 4: Non-Homeless Special Needs</u> – *Expand the accessibility and coordination of social services to City of Clearwater special needs populations*. The City supported non-profit special needs service providers such as WestCare GulfCoast-Florida, Inc. (substance abuse services) and Hope Villages of America (domestic violence shelter), which collectively served 114 special needs persons. Additionally, the City supported facility rehabilitation projects for PEHMS (mental health) and Directions for Living (mental health), which collectively served 6,265 special needs persons.

<u>Goal 5: Community Development & Public Services</u> – Enhance the living environment for persons in low- and moderate-income areas through community development activities, public service programs, and elimination of blight. The City addressed this goal by partnering with non-profit organizations that serve low- and moderate-income neighborhoods. Through such partnerships, including those with Intercultural Advocacy Institute, Gulfcoast Legal Services, Inc., R'Club Child Care, Inc. Gateway ELA, Clearwater Neighborhood Housing Services, Inc., Homeless Emergency Project, Inc., Willa Carson Health and Wellness Center, PEMHS, and Gulfcoast Legal Services, which together benefitted 1,412 persons.

<u>Goal 6: Economic Development</u> - Support programs that create economic opportunities in the City of Clearwater, particularly for persons of low and moderate income and in Neighborhood Revitalization Strategy Areas (NRSAs). The City addressed this goal by funding microenterprise/entrepreneurial technical assistance in partnership with the Hispanic Business Initiative Fund of Florida, Inc. (Prospera) and WeeCare, Inc. (Upwards), which collectively benefitted 42 businesses.

<u>Goal 7: Emergency/Disaster Response</u> - Provide assistance prior to, during, and after a community emergency and/or disaster event to prepare for and/or mitigate loss, protect during an event, and aid with recovery. No activities were planned or funded for emergency/disaster response. This goal is intended to be invoked only upon urgent need.

Expenditures for each Strategic Plan goal were consistent with the projects budgeted in the FY 2023-2024 Annual Action Plan. Affordable housing projects often span multiple reporting periods; thus, resulting outcomes carry over into subsequent years and may not be reported in the subject year. Similarly, public facilities and improvement project accomplishments are not reported until the project is complete and may not be reported in the subject year; nine (9) public facilities and improvement projects were completed, and accomplishments were reported in FY 2023-2024, and four (4) public facilities and improvement projects will carry over and will be reported in FY 2024-2025.

Additionally, during FY 2023-2024, the City also expended special CDBG-CV funds in the amount of \$1,199,785 out of an available \$1,351,560. These funds were expended on CDBG-CV eligible activities to prevent, prepare for, and respond to coronavirus. Since the initial allocation, these funds have been expended on COVID-19 related homeless services, case management, emergency non-congregate shelter, legal services, housing navigation, and business assistance through various providers, including Directions for Living (COVID-19 case management for elderly, and emergency non-congregate shelter), Tampa Bay Community Development Corporation (COVID-19 mortgage/utility assistance), Homeless Leadership Alliance of Pinellas, Inc. (COVID-19 housing navigation), Gulfcoast Legal Services, Inc. (COVID-19 housing legal services), St. Vincent de Paul CARES (COVID-19 emergency non-congregate shelter). These funds have also been used to create outdoor recreational opportunities. These efforts addressed the goals in the substantially amended FY 2019 Annual Action Plan that allocated the City's CDBG-CV funds for coronavirus response.

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The City worked diligently to meet the fourth-year goals as identified in the 2020/2021 - 2024/2025 Consolidated Plan. The Coronavirus pandemic affected staff production with an allocation of \$1,351,560 of CARES Act funding passed through the Florida Housing Finance Corporation. The City made modest progress in meeting the affordable housing goals; major obstacles the City faced in FY 2023-2024 included the continued increase in construction costs, rising interest rates, and increased property insurance costs. Additionally, the availability of land and/or housing stock for affordable housing is a challenge for development in an urban, built-out city. The City continues to work with its housing partners to identify land purchase opportunities for affordable housing. The City's use of SHIP funds facilitated the development of 7 single-family homes and the rehabilitation of 4 residences as well as a construction of 1 multifamily rental project for low-income families in FY 2023-2024. The City also completed 17 down payment assistance loans in FY 2023-2024. The City is in the planning stages of 2 development projects that, collectively, will create 83 new units; this was primarily the basis for the one-year goal in the table above.

Using General Funds, converted from American Rescue Plan Act Local Fiscal Recovery Funds allocated to affordable housing, the City provided funds for 3 single-family homes for a total of \$889,953.95; 1 home rehabilitation for \$66,969.45; and 7 downpayment assistance loans totaling \$357,850. The City provided grant funding totaling \$205,098 for emergency repairs for 47 homes.

Discuss how these outcomes will impact future annual action plans.

Affordable housing and homelessness continue to be a high priority and is identified in the FY 2023-2024 Annual Action Plan. More emphasis is being placed on the utilization of the City's two Revolving Loan funds to assist more low- to moderate-income families in their pursuit of homeownership and to assist in the rehabilitation of housing to ensure a safe and decent place to live. The City continued to support economic development with its microenterprise technical assistance program. The City continued to utilize CDBG, HOME, SHIP and Pinellas County Housing Trust Fund (PCHTF) and all other available resources to meet the needs identified.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Table 13 – Number of Households Served

Narrative Information

The City's housing programs are available to extremely low- to moderate-income households that meet the eligibility requirements for each program.

In FY 2023-2024, the City's housing programs assisted 8 households utilizing CDBG and HOME funds. In addition, the City's housing programs assisted 69 households utilizing SHIP and PCHTF funds and an additional 63 households using General Funds. The City also distributed \$429,100.11 in CDBG-CV funds to help 1,040 Clearwater residents affected financially by the pandemic to receive emergency non-congregate shelter and to create outdoor recreational opportunities.

Based on the data sourced from the 2017-2021 Comprehensive Housing Affordability Strategy database, the City of Clearwater had 26,890 households whose income was greater than 80% of HUD's Adjusted Median Family Income (HAMFI); 9,055 households whose income was >50-80% of HAMFI; 6,245 households whose income was >30-50% of HAMFI; and 7,380 households whose income was 30% or below of HAMFI.

Cost burden is a fraction of a household's total gross income spent on housing costs; severe cost burden is defined as more than 50% of income going towards rent and utilities. Among all income groups, 5,530 renters have a cost burden >30-50% of income and 5,135 renters have a cost burden greater than 50% of income. Among all income groups, 4,320 owner-households have a cost burden >30-50% of income and 3,430 owner-households have a cost burden greater than 50% of income.

The City of Clearwater is a built-out community and lacks developable land for construction of new affordable owner-occupied and rental housing. These barriers continue to have a negative impact on projects and programs utilized to implement the City's stated strategies.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Clearwater initiated and maintains a comprehensive, holistic approach, and established the Homeless Initiative. This initiative provides homeless individuals and families access to comprehensive services.

The City is committed to advocating for and supporting those organizations who provide wraparound services and address the root causes of homelessness. Therefore, the City of Clearwater provides financial assistance to 8 organizations that are part of Pinellas County's Homeless Continuum of Care: Homeless Empowerment Program (\$40,000.00), Pinellas Hope (\$40,000.00), Pinellas Safe Harbor (\$100,000.00), HVA Hope Villages of America (\$10,000.00), CASA Pinellas (\$15,000.00), Metropolitan Ministries (\$10,000.00), St. Vincent de Paul Resource Center (\$35,000.00) and The Salvation Army of Upper Pinellas (\$25,000.00). In addition, the City contributes \$25,000.00 to the Homeless Leadership Alliance (HLA), which is the lead organization overseeing the Continuum of Care (Coc) in Pinellas County.

The following are some ways in which city funds are used to provide services to individuals and families experiencing homelessness:

- Overnight, emergency, transitional, or permanent housing to homeless individuals and/or families.
- Delivery of case management.
- Transportation services for veterans to Bay Pines Hospital.

The City of Clearwater actively participates in the two major Councils under the HLA CoC with very specific roles: 1) Providers Council, made up of local government representatives and public and private providers of service to homeless and those at-risk of becoming homeless, to develop recommendations to the HLA on issues affecting the homeless services system, to address the needs of all target groups such as individuals, families, veterans, unaccompanied youth, etc., for permanent housing, and to coordinate planning and recommendations with other community-wide planning groups; and 2) The Funders Council, composed of representatives from local and state governments, businesses, foundations, and other funders of services that affect all homeless/at-risk target groups. The Funders Council develops recommendations to the HLA board of directors on funding of homeless and at-risk of homeless ness programs and services, as well as strategically aligning funding resources available for homeless or at-risk of homelessness services to make the most effective use of scarce resources.

The City also participates in the Diversity, Equity, and Inclusion Committee. The Diversity, Equity, and Inclusion Committee (DEI) provides insight and guidance for promoting diversity, equity, and inclusion in the CoC. The committee will consider and develop strategies for board consideration that foster greater participation and make the CoC more accommodating and reflective of members from diverse backgrounds, perspectives, and abilities. The committee will be aware of and ensure coordination and collaboration of diversity, equity, and inclusion efforts throughout the CoC.

The City supports the annual Point-In-Time Count and Survey. The total number of sheltered and unsheltered homeless individuals reported on the Point-in-Time Count and Survey in 2024 was 2,110. Approximately 18.37% of the entire homeless population in Pinellas County self-reported coming from Clearwater.

In FY 2023-2024, City staff continued educating City employees and the general public on the city's homeless initiative, and staff frequently updated the City's webpage. Additionally, the handout created by City staff containing information on the city's homeless initiative, including ways the city can assist the homeless population, is placed at every Clearwater public library and in all city facilities. "Give a Hand Up, Not a Hand Out" is the city's motto. In addition, every new employee receives a wallet-size card with information on how to engage homeless individuals and families and who to contact to provide access to homeless service providers.

In FY 2023-2024, the Clearwater Police Department's Social Services Outreach Specialist directly assisted 505 homeless persons that were placed in Safe Harbor, Pinellas Hope, Homeless Emergency Project, Turning Point, Daystar and other continuum of care providers. The Police Department's Social Services Outreach Specialist identifies individuals that are eligible for services and Social Security benefits and assists them through the process in obtaining those benefits and services. The Police Department's Social Services Social Services Outreach Specialist also helps homeless persons and families to navigate through the shelter system that will lead to permanent housing.

In FY 2023-2024, the City provided \$395,027 in CDBG funds supporting homeless operations and transitional housing rehabilitation. Funding was provided for six (6) projects: Homeless Emergency Project, Inc. - Housing Navigation Services; The Kimberly Home, Inc. - Transitional Housing Program; St. Vincent de Paul Community Kitchen Public Facility Rehabilitation Phase 2; Hope Villages of America - HVA Food Bank Renovations; St. Vincent de Paul Community Kitchen - Public Facility Rehabilitation Phase 3; and Metropolitan Ministries – Community Navigation and Homeless Prevention Services. The funding provided addressed the following priority needs: Supporting improvements of transitional housing serving extremely low- to moderate-income persons, including the homeless and special needs populations and supporting operations of programs serving extremely low- to moderate-income persons, including the homeless and special needs population.

Addressing the emergency shelter and transitional housing needs of homeless persons

In FY 2023-2024, the City provided \$395,027 in CDBG funding to assist with rehabilitation projects and

operational support for the following: \$15,983 to Homeless Emergency Project, Inc. - Housing Navigation Services; \$15,983 to The Kimberly Home, Inc. - Transitional Housing Program; \$67,815 to St. Vincent de Paul Community Kitchen Public Facility Rehabilitation Phase 2; \$154,995 to Hope Villages of America - HVA Food Bank Renovations; \$124,267.50 to St. Vincent de Paul Community Kitchen - Public Facility Rehabilitation Phase 3; and \$15,593 to Metropolitan Ministries – Community Navigation and Homeless Prevention Services.

In FY 2023-2024, the City, through its General Fund, contributed \$100,000 to Pinellas Safe Harbor; \$40,000 to Homeless Emergency Project, Inc.; \$25,000 to the Homeless Leadership Alliance; \$40,000 to Pinellas Hope; \$10,000 to Hope Villages of America (formerly RCS Pinellas); \$15,000. To CASA; \$10,000 to Metropolitan Ministries; \$35,000 to St. Vincent de Paul Resource Center and \$25,000 to The Salvation Army of Upper Pinellas. The funding supports the operation of programs serving persons and families experiencing homelessness or at risk of becoming homeless and special needs populations.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Pinellas County Human Services provides homeless prevention and self-sufficiency programs targeting the homeless population. The programs target high poverty zone areas throughout the County, to include Clearwater, and focuses on individuals who are disabled and need assistance applying for Federal benefits, assisting homeless families with children seeking affordable, permanent housing and veterans who need assistance with obtaining Federal benefits, with a special focus on homeless veterans to include the following programs: Family Housing Assistance Program; Adult Emergency Financial Assistance Program and Veterans Services Program.

The City continues to work closely with Pinellas County to ensure all eligible recipients are referred to the appropriate organization that will assist with their various needs.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

In FY 2023-2024, the City provided \$395,027 in CDBG funding to assist with rehabilitation projects and operational support for the following: \$15,983 to Homeless Emergency Project, Inc. - Housing Navigation Services that assisted 50 persons; \$15,983 to The Kimberly Home, Inc. - Transitional Housing

Program that assisted 38 persons; \$67,815 to St. Vincent de Paul Community Kitchen Public Facility Rehabilitation Phase 2 that assisted 1,860 persons; \$154,995 to Hope Villages of America - HVA Food Bank Renovations that assisted 1,365 persons; \$124,267.50 to St. Vincent de Paul Community Kitchen -Public Facility Rehabilitation Phase 3 that is ongoing; and \$15,983 to Metropolitan Ministries – Community Navigation and Homeless Prevention Services that assisted 36 persons.

Additionally, the City, through its General Fund, contributed the following in support of transitioning from homelessness to permanent housing and independent living:

- \$100,000 to Pinellas Safe Harbor, a 470-bed homeless shelter and jail diversion program that opened in January 2011. Transportation is provided to individuals who are willing to enter and receive case management services rather than going to jail.
- \$50,000 to Homeless Emergency Project, Inc. (HEP) to support their emergency shelter program, family transition program, and permanent supportive and rapid re-housing services. HEP provides shelter and wraparound services to homeless veterans.
- \$25,000 to the Pinellas County Homeless Leadership Alliance (HLA) who is the lead agency for the Pinellas County Continuum of Care (CoC) and is also in charge of the Homeless Management Information System (HMIS) that assists service providers to prioritize available resources to the most in need.
- \$40,000 to Pinellas Hope, a temporary emergency shelter for 250 men and women located on 20 acres provided by Bishop Robert N. Lynch and the Diocese of St. Petersburg. Case Managers meet with the individuals on a regular basis to set goals towards self-sufficiency. Case Managers also assist shelter residents with job and housing placement, perform follow-up visits, and provide after-shelter care to ensure successful outcomes.
- \$25,000 to Hope Villages of America (formerly RCS Pinellas) that runs the domestic violence shelter program, providing apartment-style emergency shelter to homeless persons and families with children. The program works one-on-one with families through case management, education, job readiness skills, and assisting families with the tools needed to save money in order to secure stable housing.
- \$10,000 to the Salvation Army of Upper Pinellas for the Hope Crest program, a transitional living center that comprises two- and three-bedroom apartments. Families are offered ongoing assistance of a case manager upon leaving through a new program called Pathway of Hope.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City collaborates with the Clearwater Housing Authority (CHA) to foster innovative public housing developments, potential joint ventures and residential initiatives. HUD funds are used to subsidize the Housing Choice Voucher (HCV) Program with approximately 1,000 participants and subsidizes 233 units of public housing units. CHA's affordable housing consists of 529 mixed-income units, which are not subsidized utilizing federal, state, county, or city monies.

In FY 2023-2024, the CHA assisted approximately 952 families through their monthly Housing Choice Voucher Program, expended approximately \$12,693,169 in Housing Assistance Payments, assisted 245 families through its Public Housing Program with approximately \$2,748,067 dollars in expenditures.

The City and CHA continue to work together to identify opportunities that will provide affordable units to households at 50% AMI, 80% AMI and up to 120% AMI.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The CHA encourages residents to become more involved with management and to participate in selfsufficiency programs. The CHA offers a Family Self-Sufficiency (FSS) Program for all Housing Choice Voucher holders who wish to improve their financial situation, eliminate their dependence on public assistance and are motivated to change their lives. FSS participants sign a five-year contract, during which time they complete an educational or vocational program, obtain employment, and become free from government assistance. The FSS staff provides the structure and support necessary to break down barriers and achieve goals. Once a FSS participant obtains employment or higher wages, he or she may begin to save money in an escrow account which is awarded upon completion of the program.

Actions taken to provide assistance to troubled PHAs

The CHA was checked through HUD's Public Housing Assessment System (PHAS) and is designated as Small PHA Deregulation with a score of 81. No further action is needed.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City began receiving SHIP Program funding in 1992 when the Florida Legislature adopted the Sadowski Act.

During the 2007 legislative session, the Florida legislature passed House Bill 1375. Under this bill, approval was granted for the creation of Section 420.9076 of the Florida Statute. This statute requires counties and cities receiving SHIP funds to appoint an eleven-member Affordable Housing Advisory Committee (AHAC). The statute further provides that the committee be made up of members from a specific industry or a specific group as identified in the statute. The requirement was largely met through the use of the City's existing Neighborhood and Affordable Housing Advisory Board (NAHAB). Since 2008, the City Council has adopted resolutions to appoint the AHAC cyclically consistent with Florida Statute. The most recent AHAC was appointed by Resolution No. 24-11 on August 15, 2024.

The duties of the AHAC included reviewing policies and procedures, ordinances, land development regulations and the City's adopted comprehensive plan and recommending specific actions or initiatives to encourage or facilitate affordable housing.

The following are strategies undertaken by the City to remove or ameliorate the known barriers to affordable housing:

Barrier: Renter cost burden, the high cost of rent and utilities, and transportation-related issues. Strategy: Continue to provide a "Request for Expedited Permit Processing for Affordable Housing Activity" form to fast-track affordable housing projects, and continued to maintain and implement policies that incentivize affordable housing development proximate to transportation hubs, major employment centers, and mixed-use developments.

Barrier: Rising interest rates and insurance costs for homeownership. Strategy: Partner with the private sector and non-profits to address third-party barriers to affordable housing and to identify appropriate incentives to reduce labor and material costs for developers and long-term maintenance, operational, and insurance costs for homeowners.

Barrier: Lack of affordable housing for senior citizens. Strategy: Consider educational and financial incentives that reduce barriers to the rehabilitation and construction of accessory dwelling units, such as information about the permitting process specific to accessory dwelling units, rebates, and other fee reductions.

Barrier: Investor real estate competition. Strategy: Continue to prohibit the uses of accessory dwelling units for short-term rental purposes and continue to exempt accessory dwelling units from density provisions to provide additional and diverse housing options in existing neighborhoods.

Barrier: Condominium assessments. Strategy: Continue the review process through which any new regulatory instrument created in the City (Ordinances, regulations, etc.) or by related State legislation can be evaluated for its effect on housing affordability.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

A significant obstacle to meeting underserved needs is the lack of financial resources among housing and service providers that support the City's institutional delivery structure. Local government policies concerning land use, densities, height, setbacks, parking requirements, and permitting or impact fees enacted to protect the general welfare of the public may have unintended consequences. These are cyclically evaluated by the AHAC to eliminate barriers when identified. Third-party factors, such as construction costs, high interest rates, excessive closing costs, inspection and processing fees, and insurance premiums are a significant obstacle to affordable housing in Florida. The unintended consequence of these third-factor barriers is the increasing per unit development and sale costs that impact the supply of affordable housing to extremely low- to moderate-income families.

Other significant obstacles to meeting underserved needs are rents and housing affordability. Average rents in the City of Clearwater are not affordable to low- and moderate-income households; many households struggle to pay their rent and afford necessities such as food, clothing, medical care and transportation. The City gives priority to the acquisition and construction of new mixed-use development projects especially in the established Neighborhood Revitalization Strategy Areas, where need is greatest.

First-time homebuyer obstacles include the purchase price of a single-family home, interest rates, closing costs, inspection and processing fees, and insurance premiums. These obstacles are compounded by the homebuyer credit issues and unemployment/underemployment. The City provides first-time homebuyers educational opportunities and down payment and closing cost assistance to help ameliorate these obstacles.

In FY 2023-2024, the City provided \$1,093,360 for six single-family home projects built by Habitat for Humanity and Clearwater Neighborhood Housing Services: \$826,416.80 in SHIP funds for homes at 1160 LaSalle Street, 1414 Monroe Avenue, 1420 Monroe Avenue, 1130 LaSalle Street, 1132 LaSalle Street, and 406 Vine Avenue. In addition, the City provided \$505,964 in HOME and HOME CHDO funds for homes at 1537 Palmetto Street and 1541 Palmetto Street. General Funds in the amount of \$889,953.95 were allocated for homes located at 1205 Roosevelt Avenue, 922 Eldridge Avenue and 1002 Jones Street. In addition, the City provided \$616,500 in SHIP funds to help 10 low-income families purchase homes in Clearwater and utilized \$103,653.27 in SHIP funds to assist 3 low-income Clearwater homeowners with housing rehabilitation needs. The City provided \$4,400 in SHIP funds to Tampa Bay Community Development Corporation and \$22,475 in SHIP funds to Clearwater Neighborhood Housing Services, Inc., for homebuyer education/counseling that assisted 152 individuals.

These activities preserve the existing housing stock through acquisition, rehabilitation, and construction of affordable rental units; rehabilitation of aging single-family homes; the increase of available affordable homes through new construction and improved access; homebuyer education; and down payment and closing cost assistance for qualified low- to moderate-income households.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

Lead-based paint continues to be a problem throughout cities across the United States. It is usually prevalent in homes built prior to 1978. The City maintains that lead-based paint is a serious issue and conducts housing inspections to determine if there are defective paint surfaces. If lead conditions are present, the lead paint is either removed or covered in a manner prescribed by HUD. The City continues its effort to rid structures of lead-based paint and inspects homes built prior to 1978 for any presence of lead-based paint. If the presence of lead-based paint is found, the City requires removal of the paint as part of its down payment and closing cost assistance and rehabilitation programs.

Additionally, the City continues to coordinate with agencies in the Clearwater area that screen residents for elevated blood lead levels (EBL) and inspect housing units for lead-based paint hazards. These agencies include the Pinellas County Health Department and the Clearwater and Pinellas County Housing Authorities, among others. The City places information about lead-based paint and safety on the City's Affordable Housing Division webpage. Program activities include: Assurance that children identified as at risk receive blood lead testing and a child with elevated lead levels receives follow-up care; promotion of a public awareness campaign through education and disbursement of educational materials via physicians and the community; routine placement of educational materials on the City's Affordable Housing Division webpage; assessment of homes at risk to identify lead hazard control services to eliminate hazards identified in homes; initiation of supportive lead hazard control services to eliminate hazards identified in homes; and evaluation of prevention activities to measure the impact and outcome of program services and intervention efforts in the community.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

According to the 2019-2023 American Community Survey 5-Year Estimates, 15.4% of all people living in the City of Clearwater are at poverty level or below. To combat this statistic, the City continued to coordinate with a number of agencies that support poverty-level families. These agencies provide services to other homeless and non-homeless special needs populations, as well as to low- to moderate-income families. Such services include referrals to affordable housing; employment assistance; job training; and economic opportunity.

In FY 2023-2024, the City provided \$22,752 in CDBG funds to Intercultural Advocacy Institute, Inc. for family advocacy and mentoring toward academic and employment success or self-sufficiency. The City

provided \$22,833 to Gulfcoast Legal Services to represent low-income clients; \$22,833 to WestCare GulfCoast-Florida to provide substance abuse services; \$15,983 to The Kimberly Home to support the Transitional Housing Program; \$72,286 to Homeless Emergency Project to provide homeless facilities and shelters; \$165,270 to Hope Villages of America to provide shelter, meals, and basic needs; and \$67,815 to St. Vincent de Paul CKRC to provide a community kitchen and resource center to provide meals and basic needs to homeless persons and those at risk of becoming homeless. Combined, these agencies assisted 3,911 individuals throughout the program year.

In FY 2023-2024, the City provided \$31,800 in CDBG funds to Hispanic Business Initiative Fund of Florida, Inc. dba Prospera that assisted 31 businesses and \$130,000 in CDBG funds to WeeCare, Inc. dba Upwards that assisted 11 businesses. Both organizations provided technical assistance to microenterprise businesses and entrepreneurs.

Through the coordination of programs, including the U.S. Environmental Protection Agency; State Brownfields Redevelopment Initiatives; Juvenile Welfare Board; United Way; the Eckerd Foundation; Career Source Pinellas; and the University of South Florida; the City continued to expand its efforts to reduce impediments.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City continued to work with its own departments and various housing and public service providers, as well as partners of their programs, in an effort to expand opportunities and to make continuous improvements to the institutional structure. Continued actions will include solicitation of feedback on referral processes and other means of coordination between such providers and the City of Clearwater.

In FY 2023-2024, the City supported an array of activities that strengthen the institutional structure's ability to serve persons of extremely low- to moderate-income; persons with special needs; and the homeless population. These activities include case management; emergency shelter; transitional housing; behavioral and mental health services; facilities for the disabled; referrals to appropriate housing providers; affordable housing unit construction and rehabilitation; homebuyer education; down payment assistance; and access to economic opportunity technical assistance.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City continued to coordinate with housing and public service providers to develop an effective institutional structure and enhance interagency coordination. The City continued to work with the Clearwater and Pinellas County Housing Authorities to improve access to public housing and tenant-based assistance. Although funding for public housing authorities is limited, and competition for affordable housing is high, these agencies continued to provide housing-related activities to include rental assistance; rehabilitation; and new construction for low- to moderate-income individuals. Input from public housing authorities is solicited during preparation of the City's Annual Action Plan.

Additionally, the City promotes coordination between non-profit and private for-profit housing providers through its Neighborhood and Affordable Housing Advisory Board (NAHAB), through the SHIPmandated Affordable Housing Advisory Committee (AHAC) in conjunction with the Local Housing Assistance Plan and Local Housing Incentive Strategy reports, and through the Annual Action Plan process. Moreover, annual meetings in conjunction with the Action Plan process provide an opportunity for these providers to interact. Public service providers in the greater Clearwater area provide a wide array of services to extremely low- to moderate-income individuals. These organizations typically have a specific target population that they serve (homeless individuals/families; persons with special needs or disabilities; extremely low- to moderate-income families) and possess a level of knowledge and expertise that is invaluable when identifying underserved needs. The continuation and expansion of these public services were encouraged by means of matching programs with funding, as available. The City recognizes that improved coordination between housing and public service providers will continue to be a critical action toward preventing homelessness. Therefore, input from public service providers is solicited during preparation of the City's Annual Action Plan.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

In FY 2020-2021, Pinellas County's Office of Human Rights and the Community Development and Planning Division of the County's Planning Department prepared a countywide Analysis of Impediments to Fair Housing Choice (Analysis) which included the City of Clearwater. Data from the Analysis suggested that the following types of impediments exist: (1) Cost and Availability, (2) Evictions, (3) Housing Stock, (4) Protected Classes, (5) Education, (6) Underserved Transportation Corridors, and (7) Limited English Proficiency.

The City funded programs that offer free classes for persons interested in homeownership, as well as provides outreach and training in fair housing. In prior years, this activity was funded with CDBG. In FY 2023-2024, the City used SHIP funds to provide homebuyer education to 152 clients through partnerships with Clearwater Neighborhood Housing Services, Inc. and Tampa Bay Community Development Corporation. The City's efforts are furthered through partnerships with the Pinellas Realtor Organization which subscribes to the Affirmative Marketing Agreement and the Bay Area Apartment Association; both entities work to educate its members on Fair Housing issues.

The City supported self-help initiatives based on volunteers providing housing assistance to designated elderly and indigent property owners and assisted them in complying with municipal housing codes to include individual volunteers; community and religious organizations/institutions; and businesses as a means of supplementing financial resources for housing repair and neighborhood cleanups to include United Way's Day of Caring.

The City established the Affordable Housing Advisory Committee (AHAC), that provides oversight and review of incentives that will encourage the development of affordable housing. The AHAC provides recommendations annually to the City to consider strategies that will facilitate development of

affordable housing and the removal of barriers.

Inquiries from extremely low- to moderate-income tenants are often referred to the City's Code Enforcement staff. Tenants often seek remedies for actual or perceived Housing Code violations in their rental unit that the landlord or property management company may have declined to address or for repairs that are being addressed by the landlord at an unacceptable pace for the tenant. City code enforcement staff provides general information on code enforcement alternatives and remedies as well as the State's landlord tenant law. Some tenants are referred to pro bono or low-cost legal assistance programs to serve tenants needs.

While the City does not provide legal services, the City provided \$22,833 in CDBG funds to Gulfcoast Legal Services, Inc. (GLS) to provide civil legal aid related to housing related matters to 12 residents. Also, Pinellas County Clerk of the Circuit Court operates three legal self-help centers to assist Pinellas County citizens on representing themselves in court in regard to family law; small claims; or landlord/tenant matters. The self-help centers provide consultation with an attorney for a minimal fee; forms and packets for civil court actions; document notary; and copying services.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The City is responsible for monitoring all agreements administered under its CDBG and HOME programs, advising subrecipients on their performance and ensuring compliance with Federal rules and regulations corresponding to the funding source. Monitoring is necessary to ensure that subrecipients continue to meet expectations for timeliness, capacity, and reporting; and that activities continue to meet National Objectives and other program goals. Through frequent monitoring, conflicts of interest and opportunities for waste, mismanagement, fraud and abuse are minimized.

Onsite or desk monitoring visits occur at least annually depending on the risk-level of the subrecipient, or if concerns were identified during a prior visit, onsite monitoring visits may occur more frequently to determine compliance or until corrective actions are taken. Staff contacts the subrecipient by phone or email to schedule a monitoring visit and follows up with a formal Notification Letter to the recipient at least two weeks prior to the scheduled visit. The Notification Letter includes confirmation of the date, time and duration of the visit, a description of the purpose for the monitoring visit, and identification of the subrecipient representatives expected to be present and any office/meeting space that will be required.

In preparation for an onsite monitoring visit, City staff reviews all documentation associated with the subrecipient's records, including but not limited to original application for CDBG or HOME funding; subrecipient agreement; requests for payment and corresponding documentation; monthly or quarterly reports; documentation from previous monitoring visits; and copies of other audits performed.

At the beginning of the scheduled onsite monitoring visit, City staff holds an entrance conference with the subrecipient's Director and appropriate financial and program staff. The entrance conference reiterates the schedule and purpose of the onsite monitoring visit and documents the subrecipient's participation. The entrance conference is used to convey the City's responsibility to monitor the subrecipient to determine whether the use of Federal funds is appropriate and consistent with the agreement, even if the onsite monitoring visit presents an inconvenience for the subrecipient.

Within 30 days after the visit, the City mails a monitoring letter to the subrecipient that details the results of the onsite monitoring visit. The letter identifies any Findings or Concerns as follows: Finding – A violation of law or regulation that could result in a sanction; or Concern – A matter that, if not properly addressed, could become a finding that could result in a sanction.

The monitoring letter details each Finding identified, if applicable, along with the corresponding citation(s) of applicable laws, regulations, or program policies and the supporting fact(s) collected during

the onsite visit. For each Finding identified, the letter specifies the corrective action(s) that the subrecipient must take along with a specific date by which the subrecipient must provide a written response detailing how and by when the corrective action(s) will be taken.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

As required, reasonable notice for review and comment of the CAPER was provided. Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)

As part of the HOME application, applicants are required to submit an affirmative marketing plan to the City which must conform to the City's affirmative marketing requirements. Monitoring of affirmative marketing for HOME-funded units is incorporated into the City's overall monitoring process. During each onsite monitoring visit, the City monitors subrecipients for compliance with affirmative marketing requirements.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

HOME Program Income received during the program year totaled \$1,175,407.

In FY 2023-2024, HOME funds were expended on 15 activities and administration/planning totaling \$1,923,463. Program Income was expended as it became available with 10% utilized for administration/planning.

The following are racial and ethnic status of HOME program participants: White - 3 (37.50%); Black/African American - 2 (25.00%); and Other Multi-Racial - 3 (37.50%); 1 program participant identified as Hispanic.

The following are income levels of the HOME program participants: 0 were extremely low (below 30%) or 0%, 1 was low (between 30% - 60%) or 12.5%, and 7 were low income (between 60% - 80%) or 87.5%.

Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)

During FY 2023-2024, the City continued to proactively support, develop, and maintain affordable housing. Utilizing CDBG, HOME, SHIP and Pinellas County Housing Trust Fund, the City assisted 19 households to become first-time homeowners through down payment and closing cost assistance; assisted 4 homeowners to preserve their homes through rehabilitation; funds were provided to The Kimberly Home for the rehabilitation of 1 rental unit to further their mission of housing homeless pregnant women; funds were provided to Habitat for Humanity of Pinellas County to construct 8 single family homes. Funds were also provided to Clearwater Neighborhood Housing Services for the construction of 4 single family units of which 2 are currently under construction. Funds were also provided to Clearwater Neighborhood Housing Services for construct 3 and a vacant parcel. The City is also working with two developers to construct 2 large multi-family projects including an 81-unit tax credit project and a 173-unit mixed income, workforce and affordable housing project. The City also completed competitive procurement process for development of a 1.3-acre City owned lot to construct 24 workforce and affordable townhomes for homeownership. Construction is expected to begin during Program Year 2023-24.

The City continues to support national, state, and local housing policies and continues to educate and inform citizens and elected officials of the need for affordable housing.

Council Agenda and Meeting Minutes

Welcome. We are glad to have you join us. If you wish to address the Council, please complete a Comment Card. Comment Cards are on the right-hand side of the dais by the City Clerk. When recognized, please hand your card to the Clerk, approach the podium and state your name. Persons speaking before the City Council shall be limited to 3 minutes unless otherwise noted under Public Hearings. A spokesperson for a group may speak for 3 minutes plus an additional minute for each person in the audience that waives their right to speak, up to a maximum of 10 minutes. Prior to the item being presented, please obtain the form to designate a spokesperson from the City Clerk. Up to 60 minutes of public comment will be allowed for an agenda item. No person shall speak more than once on the same subject unless granted permission by the City Council. The City of Clearwater strongly supports and fully complies with the Americans with Disabilities Act (ADA). Please advise us at least 48 hours prior to the meeting if you require special accommodations at 727-562-4090. Assisted Listening Devices are available. Kindly refrain from using cell phones and electronic devices during the meeting.

Citizens wishing to provide comments on an agenda item are encouraged to do so in advance through written comment. The City has established the following two options:

1) eComments via Granicus - eComments is integrated with the published meeting agenda. Individuals may review the agenda item details and indicate their position on the item. You will be prompted to set up a user profile to allow you to comment, which will become part of the official public record. The eComment period is open from the time the agenda is published. All comments received by 5:00 p.m. the day before the meeting will become part of the official record.

2) Email – Individuals may submit written comments or videos to ClearwaterCouncil@myclearwater.com. All comments received by 5:00 p.m. the day before the meeting will become part of the official record.

(consent)

Councilmember Teixeira moved to approve the Consent Agenda as listed, less Item 6.2, and authorize the appropriate officials to execute same. The motion was duly seconded and carried unanimously.

6.2Approve an Interlocal Maintenance Agreement between Pinellas County and the City of Clearwater for the purpose of installing, operating and maintaining Automatic License Plate Readers (ALPRs) within the county right-of-way and authorize the appropriate officials to execute same. (consent)

In January 2022, Pinellas County and the City of Clearwater entered into a cooperative agreement to allow the City to place ALPRs within the right-of-way, including some at locations on County Roads. These ALPRs are strategically

deployed throughout the city and work in concert with the agency's Real-Time Operations Center (ROC) to provide our personnel with additional investigative avenues for solving crime, keeping our citizens and visitors safe, and preventing victimization. Additionally, these ALPRs are used to locate and recover missing persons, recover stolen vehicles and firearms, and locate wanted subjects. This agreement allows the city to install, operate and maintain future ALPRs within the county right-of-way.

The county administrator requests that the City agree to the terms and conditions outlined in this agreement. Additionally, the county administrator requests that the City shall indemnify and cause any third-party contractor to indemnify and hold harmless its employees for the construction, installation, placement or maintenance of Systems by or on behalf of the City pursuant to the Agreement. Nothing in this agreement, however, shall be deemed a waiver of the limitations on liability contained in Section 768.28, Florida Statutes, or the doctrine of sovereign immunity.

There are no costs associated with this Interlocal Maintenance Agreement.

STRATEGIC PRIORITY:

1.4 Foster safe and healthy communities in Clearwater through first-class public safety and emergency response services.

One individual spoke in opposition.

It was stated that the license plate readers have already been used to solve serious crimes and are critical to public safety.

Vice Mayor Allbritton moved to approve an Interlocal Maintenance Agreement between Pinellas County and the City of Clearwater for the purpose of installing, operating and maintaining Automatic License Plate Readers (ALPRs) within the county right-of-way and authorize the appropriate officials to execute same. The motion was duly seconded and carried unanimously.

Public Hearings - Not before 6:00 PM

7. Administrative Public Hearings

7.1 Approve of the City of Clearwater's Fiscal Year 2023-2024 Consolidated Annual Performance and Evaluation Report (CAPER). (APH)

[The Consolidated Annual Performance and Evaluation Report (CAPER) is the principal administrative report documenting the City's expenditures for Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) programs to the U.S. Department of Housing and Urban Development (HUD). In Fiscal Year (FY) 2023-2024, the City had \$9,205,465 in CDBG and HOME program funding available to fund eligible housing and community development activities, economic development activities, and local agencies that provide services that assist extremely low to moderate-income residents. This was the expected amount available referenced in the FY 2023-2024 Action Plan. The actual funding amount included \$913,337 in new CDBG entitlement funding and \$532,649 in new HOME entitlement funding through the CDBG and HOME programs. The City had \$1,138,092 in prior year resources and \$1,274,537 in program income for CDBG. The City had \$2,477,254 in prior year resources and \$2,869,596 in program income for HOME. The City also has three revolving loan funds totaling \$1,221,637. Through the CDBG and HOME program activities, total expenditures were \$3,999,603 in FY 2023-2024. Funds not expended from this year's budget will be programmed in future years.

In addition to reporting activities carried out with federal money, a summary of activities conducted with the Florida State Housing Initiatives Partnership (SHIP) Program and Pinellas County Housing Trust Fund (PCHTF) Program is also included in the narrative section. For FY 2023-2024, SHIP fund expenditures totaled \$3,383,561 and PCHTF fund expenditures totaled \$175,481.

The report provides HUD with necessary information for the Department to meet its requirement to assess each grantee's ability to carry out relevant Community Planning and Development programs in compliance with all applicable rules and regulations. It also provides information necessary for HUD's Annual Report to Congress, and it provides grantees an opportunity to describe to citizens their successes in revitalizing deteriorated neighborhoods and in meeting objectives stipulated in their Consolidated Planning document. The City of Clearwater's FY 2023-2024 CAPER contains information on the City's assessment of the following activities:

- Assessment of Five-Year Goals and Outcomes
- Resources and Investments
- Affordable Housing
- Homeless and Other Special Needs
- Public Housing
- Other Actions to Address Barriers to Affordable Housing
- Monitoring
- CDBG
- HOME

A list of notable accomplishments utilizing federal, state, and local funds for FY 2023-2024 include:

- Provided 18 down payment and closing cost assistance loans/grants totaling \$447,850.
- Assisted 3,225 homeless persons with public facility or infrastructure activities, 124 homeless persons with public service activities, and 698 homeless persons with overnight shelter.
- The City assisted 6,265 special needs persons with public facility or infrastructure activities, and 114 special needs persons with public service activities.
- City provided \$1,093,360 for six single-family home projects built by Habitat for Humanity and Clearwater Neighborhood Housing Services:
 \$826,416.80 in SHIP funds for homes at 1160 LaSalle Street, 1414 Monroe Avenue, 1420 Monroe Avenue, 1130 LaSalle Street, 1132 LaSalle Street, and 406 Vine Avenue. In addition, the City provided \$505,964 in HOME and HOME CHDO funds for homes at 1537 Palmetto Street and 1541 Palmetto Street. General Funds in the amount of \$889,953.95 were allocated for homes located at 1205 Roosevelt Avenue, 922 Eldridge Avenue and 1002 Jones Street.
- Provided \$616,500 in SHIP funds to help 10 low-income families purchase homes in Clearwater and utilized \$103,653.27 in SHIP funds to assist 3 low-income Clearwater homeowners with housing rehabilitation needs.
- Using General Funds, converted from American Rescue Plan Act Local Fiscal Recovery Funds allocated to affordable housing, the city rehabilitated 2 owner-occupied homes at a cost of \$58,474.45 and rehabilitated a 179 rental unit project at a cost of \$500,000 using ARPA and PCHTF; the city also provided funds for 7 downpayment loans totaling \$315,000; and 1 grant for down payment assistance totaling \$15,000.
- Expended special CDBG-CV funds in the amount of \$1,199,784.70 out of an available \$1,351,560. These funds were expended on CDBG-CV eligible activities to prevent, prepare for, and respond to coronavirus. Since the initial allocation, these funds have been expended on COVID-19 related homeless services, case management, emergency non-congregate shelter, legal services, housing navigation, and business assistance through various providers, including Directions for Living (COVID-19 case management for elderly, and emergency non-congregate shelter), Tampa Bay Community Development Corporation (COVID-19 mortgage/utility assistance), Homeless Leadership Alliance of Pinellas, Inc. (COVID-19 housing navigation), Gulfcoast Legal Services, Inc. (COVID-19 housing legal services), St. Vincent de Paul CARES (COVID-19 emergency non-congregate shelter), R'Club Child Care, Inc. (COVID-19 air quality improvements), and St. Vincent de Paul UPC (COVID-19 emergency non-congregate shelter). These funds have also been used to create outdoor recreational opportunities. These efforts addressed the goals in the substantially amended FY 2019 Annual Action Plan that allocated the City's CDBG-CV funds for coronavirus response.

- Provided \$161,800 for technical assistance services to Hispanic Business Initiative Fund of Florida, Inc. dba Prospera and WeeCare, Inc. dba Upwards that assisted 42 entrepreneurs and businesses.
- Provided \$26,875 to two organizations to deliver homeownership education and counseling to assist 152 Clearwater residents: Clearwater Neighborhood Housing Services and Tampa Bay Community Development Corporation.
- While the City does not provide legal services, the City provided \$22,833 in CDBG funds to Gulfcoast Legal Services, Inc. (GLS) to provide civil legal aid related to housing related matters to 12 residents.

On January 28, 2025, the Neighborhood and Affordable Housing Advisory Board recommended City Council approval of the CAPER as written. The CAPER is typically due to HUD by December 31 each year. However, due to the impact of Hurricane Milton and Hurricane Helene and to accommodate the City of Clearwater council meeting scheduled for February 6, 2025, HUD has granted an extension, moving the deadline to February 28, 2025

STRATEGIC PRIORITY:

2.4 Support equitable housing programs that promote household stability and reduce the incidence of homelessness within Clearwater.

Councilmember Mannino moved to approve of the City of Clearwater's Fiscal Year 2023-2024 Consolidated Annual Performance and Evaluation Report (CAPER). The motion was duly seconded and carried unanimously.

7.2 Provide direction on the proposed Development Agreement between AP Beach Properties, LLC (the property owner) and the City of Clearwater for property located at 405 Coronado Drive, providing for the allocation of 100 units from the Hotel Density Reserve under Beach by Design; and confirm a second public hearing in City Council Chambers before City Council on February 20, 2025 at 6:00 p.m., or as soon thereafter as may be heard. (HDA2024-09001)

Site Location and Existing Conditions:

The subject property is a 1.759-acre parcel operating as a surface parking lot with frontage along Coronado and Hamden Drives (420 feet and 370 feet, respectively) and Fifth Street (220 feet). It is located within the Tourist (T) District and the Small Motel District of *Beach by Design* with an underlying future land use designation of Resort Facilities High (RFH).

The surrounding area is characterized by a mix of uses including overnight

accommodations (hotels), retail, outdoor recreation and entertainment, restaurant and attached dwellings with heights ranging from one to 15 stories. There are one- to two- story hotels adjacent to the site and a five-story attached dwelling located at the northeast corner of Bayside Drive and Hamden Drive. The City's Beach Walk project, to the west, has been constructed transforming South Gulfview Boulevard to the north of this site into a winding beachside promenade with tropical landscaping with clear views to Clearwater Beach and the water beyond. Coronado Drive has largely been improved according to *Beach by Design*.

Site History:

A portion of the property (originally five parcels on the northern end) was previously subject to a Development Agreement approved by the City Council on October 2, 2014. An amended agreement was subsequently approved on February 4, 2022, that incorporated additional land (three parcels to the south) into the site design (HDA2013-08006/HDA2013-08006A). The original Development Agreement recently expired, and the applicant is proposing a new Development Agreement and conceptual design and is requesting 100 units from the Hotel Density Reserve. The development proposal is described in detail later in this memo.

The overall size of the proposed development site has not changed; the eight parcels referenced above have been consolidated into the single subject parcel. However, the various properties comprising the site have different histories which are provided below.

North portion of the site (previously 401/405/415/419 Coronado Drive and 406 Hamden Drive):

- On April 19, 2011, the Community Development Board (CDB) approved a Level Two Flexible Development application (FLD2011-02005) for a surface parking lot which has been constructed.
- On September 18, 2014, the City Council approved the allocation of up to 100 units from the Hotel Density Reserve under Beach by Design (HDA2013-08006) and adopted a resolution to the same effect (Resolution No. 14-25). The owners proposed to develop the site with a 166-unit overnight accommodation use with associated accessory/amenity uses including commercial space, restaurant, meeting rooms, and an exercise room. This Development Agreement, as amended on February 4, 2022 (HDA2013-08006A), expired on October 8, 2024.
- On July 21, 2015, the CDB approved a Level Two Flexible Development application (FLD2015-05016) for a 166-room overnight accommodation use in the Tourist (T) District. The CDB approved an amendment on May 17, 2022 (FLD2015-05016A), subsequent to the modifications to the Development Agreement referenced above. A series of extension requests have been approved extending the validity of the issued Development Order until March 14, 2027.

South portion of the site (previously 410/420 Hamden Drive):

- On December 28, 2018, the Community Development Coordinator approved a Level One Flexible Standard Development application (FLS2018-05024) for a surface parking lot for property including 410/420 Hamden Drive. The approval expired one year later.
- On November 17, 2020, the CDB approved a Level Two Transfer of Development Rights (TDR2020-07002) which transferred four hotel units from 410 Hamden Drive (Parcel ID 08-29-15-17622-000-0100) and seven hotel units from one of the two parcels comprising 420 Hamden Drive (Parcel ID 08-29-15-17622-000-0080), all to property located at 400/405/408/409/411 East Shore Drive.
- On October 19, 2021, the CDB approved a Level Two Transfer of Development Rights (TDR2021-08004) which transferred the remaining two dwelling units from 410/420 Hamden Drive (Parcel IDs 08-29-15-17622-000-0100, 08-29-15-17622-000-0090 and 08-29-15-17622-000-0080) to property located at 619/629/631/635 Mandalay Avenue.
- The two approved TDR applications removed all development potential from these three additional parcels.

Development Proposal:

The proposal is to remove all the existing site improvements on the 1.759-acre site and to construct a hotel with 135 overnight accommodation units as well as retail and restaurant spaces. The northern portion of the property that has remaining development potential is 1.32 acres, and as previously discussed, the 0.439-acre southern portion does not have remaining development potential. The underlying Resort Facilities High (RFH) future land use designation allows for 50 overnight accommodations units per acre or 1.2 FAR for nonresidential uses.

The proposal of 20,000 square feet of retail area and 6,825 square feet of restaurant area requires 0.613 acres of land, leaving 0.707 acres of land with development potential that can be used for overnight accommodations units. To achieve the proposed number of units, the project utilizes the 35 units possible from this remaining acreage, in addition to the requested 100-unit allocation from the Hotel Density Reserve (Reserve) through *Beach by Design*.

With the incorporation of the retail and restaurant area, and the reduction of the number of hotel units from 166 as approved in 2014 (HDA2013-08006) to 135 rooms, the subject site's density (hotel units per acre) will decrease from 94.32 hotel units per acre to 77 units per acre. The reduction of the number of hotel units will enable the provision additional services to the hotel guests. The building will continue to be 100 feet in height as measured from the established design flood elevation to flat roof. The proposal continues to include a tropical modern architecture, which is consistent with and complements the tropical

vernacular envisioned in *Beach by Design*. The request includes a conceptual site plan and accompanying building elevations (Exhibit B).

The site will be accessed via a two-way driveway from Hamden Drive at the southeast corner of the property which will provide access to the parking garage component of the development. A one-way ingress is provided centrally along the north side of the site along Fifth Street which also provides access to the parking garage as well as an underbuilding drop off area. The egress for the drop off area is also located along Fifth Street. A one-way egress from the parking garage is provided at the northeast side along Hamden Drive. The primary pedestrian entrance is located at the northwest corner of the site.

The northwest corner of the building on the ground floor contains a lobby, retail area and restaurant. The first five floors of the building will contain a parking garage as well as miscellaneous back-of-house components such as maintenance rooms and laundry facilities. The sixth floor will include a pool and pool deck and other amenities such as private balconies, exercise areas and related activities such as yoga. The seventh and eighth floors will be dedicated almost entirely to hotel rooms and the nineth floor with include rooms, outdoor amenities as well as an indoor/ outdoor bar and lounge.

Proposal's Consistency with the Community Development Code (CDC):

Minimum Lot Area and Width:

Pursuant to CDC Table 2-802, the minimum required lot area and width for an overnight accommodations use is 20,000 square feet and between 100 and 150 feet in lot width, respectively. The subject property is 76,622 square feet in area and approximately 420 feet wide. The site is consistent with these Code provisions.

Minimum Setbacks:

The conceptual site plan depicts setbacks of 15 feet along the Fifth Street and Hamden Drive (north and east) frontages, and 10 feet along all remaining property lines of the site including the frontage along Coronado Drive. The proposed setbacks may be approved as part of a Level One (FLS) application, subject to meeting the applicable flexibility criteria of the Community Development Code; however, other elements such as height may require the project to be a Level Two (FLD) application.

Maximum Height:

Section B of the Design Guidelines within *Beach by Design* specifically addresses height. The proposal provides for a building 100 feet in height as measured from the design flood elevation where a height of up to 100 feet is permitted as prescribed by the CDC (subject to meeting the applicable flexibility criteria of the CDC and approved as part of a Level Two Flexible Development application) and as limited by any applicable *Beach by Design* requirements. The height of the proposed building is consistent with the guidelines of *Beach by Design*.

Minimum Off-Street Parking:

The 135-room overnight accommodations use requires a minimum of 162 off-street parking spaces. A parking garage located on the first five levels of the building will provide 400 spaces, including 50 which are available for public use. This is consistent with the applicable Sections of the CDC.

Landscaping:

While a formal landscape plan is not required to be submitted for review at this time, the conceptual landscape areas depicted on the site plan show that adequate spaces for foundation landscaping will be provided along all street frontages. Since no perimeter landscape buffers are required in the Tourist (T) District, the proposed landscape areas meet or exceed what is required. It is noted, however, that flexibility may be requested/necessary as part of a Comprehensive Landscape Program which would be reviewed at time of formal site plan approval.

Proposal's Consistency with Beach by Design:

Design Guidelines:

A review of the provided architectural elevations and massing study was conducted and the proposed building does appear to be generally consistent with the applicable Design Guidelines established in *Beach by Design*. However, a more formal review of these Guidelines will need to be conducted as part of the final site plan approval process.

Hotel Density Reserve:

The project has been reviewed for compliance with those criteria established within *Beach by Design* concerning the allocation of hotel rooms from the Reserve. The project appears to be generally consistent with those criteria, including that the development complies with the Metropolitan Planning Organization's (MPO) countywide approach to the application of traffic concurrency management for transportation facilities. The submitted Traffic Impact Study concludes that traffic operations at nearby intersections and on adjacent roadways would continue at acceptable levels of service.

It is important to note that the south portion of the site has had all development potential transferred to other properties within the *Beach by Design* planning area. Beach by Design Section V.B.2 provides that "Those properties and/or developments that have had density transferred off to another property and/or development(s) through an approved Transfer of Development Rights (TDR) application by the City after December 31, 2007, are not eligible to have rooms allocated from the Reserve." Staff believes that the intent of this provision is to prevent a property owner from selling off development potential and then requesting units from the Reserve thereby profiting from the Reserve. This portion of the site was not in common ownership at the time the 100 units were allocated to the original proposal, and the inclusion of the parcels will result in the overall site density (units per acre) decreasing; therefore, the project does not utilize these lots for development potential at all. The primary purpose of adding these parcels is to provide the opportunity to provide a more efficient parking garage layout which will allow for the provision of all required parking spaces as well as a minimum of 50 spaces for use by the public. In short, the proposal provides for a scenario that Staff believes was not considered at the

time that *Beach by Design* was written. Staff believes that the proposal meets the intent of *Beach by Design* and approval of the request.

Standards for Development Agreements:

CDC Section 4-606 sets forth the procedures and criteria for reviewing development agreements. Specifically, development agreements shall be consistent with Clearwater 2045, the city's Comprehensive Plan. The proposal furthers the goals, objectives and policies of the Comprehensive Plan as provided below.

Goal QP 3: Support the on-going transformation of the Downtown and Clearwater Beach Activity Centers as high intensity, walkable, and attractive regional centers for living, working, shopping, and entertainment.

Objective QP 3.3: Continue to use *Beach by Design: A Preliminary Design for Clearwater Beach and Design Guidelines (Beach by Design)* to guide development, redevelopment, and placemaking on Clearwater Beach.

Policy QP 3.3.4: Continue to utilize the Hotel Density Reserve allocation as established in *Beach by Design* to facilitate hotel development on Clearwater Beach.

The proposal is in compliance with the standards for development agreements, is consistent with the Comprehensive Plan and furthers the vision of beach redevelopment set forth in *Beach by Design*. The proposed Development Agreement will be in effect for a period not to exceed ten years, meets the criteria for the allocation of rooms from the Hotel Density Reserve under *Beach by Design* and includes the following main provisions:

- Provides for no change in the number of units (100 units) allocated from the Hotel Density Reserve (previously approved as part of HDA2013-08006/Resolution No. 14-25 and HDA2013-08006A/ Resolution No. 22-01);
- Includes conceptual site plans, architectural drawings, elevations and perspectives in Exhibit B that appear to be generally consistent with the applicable Design Guidelines established in *Beach by Design*;
- Requires the developer to obtain site plan approval within one year of approval, commence vertical construction within four years from the date of site plan approval, and obtain a certificate of occupancy within six years from the date of site plan approval;
- Requires the return of any hotel unit obtained from the Hotel Density Reserve that is not constructed;
- Prohibits the conversion of any hotel unit allocated from the Hotel

Density Reserve to a residential use and requires the recording of a covenant restricting use of such hotel units to overnight accommodations usage; and

• Requires a legally enforceable mandatory evacuation/closure covenant that the hotel will be closed as soon as practicable after a hurricane watch that includes Clearwater Beach is posted by the National Hurricane Center.

Changes to Development Agreements:

Pursuant to Section 4-606.I, CDC, a Development Agreement may be amended by mutual consent of the parties, provided the notice and public hearing requirements of Section 4-206 are followed. Revisions to conceptual site plans and/or architectural elevations attached as exhibits to this Development Agreement shall be governed by the provisions of the CDC, Section 4-406. Minor revisions to such plans may be approved by the Community Development Coordinator. Other revisions not specified as minor shall require an amendment to this Development Agreement.

Summary and Recommendation:

The proposal appears to be generally consistent with applicable components of the Community Development Code and *Beach by Design* and the city's Comprehensive Plan. Staff is supportive of the request.

In response to a question, Interim Planning and Development Director Lauren Matzke said per city code, tonight's meeting is the first scheduled public hearing. Several years ago, the Council amended the code to require development agreements with an allocation from the density be heard by the city council at two public hearings. The City Clerk said the agenda item is seeking Council provide staff direction regarding the agreement and to confirm the hearing on the February 20, 2025 via a vote. Planning Division Manager Ted Kozak said Beach by Design and the reserve envision up to a 1.0 floor area ratio; the Applicant is slightly under that threshold.

Applicant representative Brian Aungst provided a PowerPoint presentation and reviewed the request.

One individual spoke in opposition.

One individual submitted an email in opposition (see page 15).

The City Attorney said staff fully supports the new agreement. When it was first created, the hotel density reserve was a large pool. He said the

City Council

Meeting Minutes

City has reached a point in the development cycle where the units have been allocated to certain properties or have been constructed. The available density reserve units in the pool have become a valuable commodity. He said the revised agreement includes timelines, which were not clearly outlined in the original agreement.

Discussion ensued with support expressed for including the construction milestones and consequences if milestones are not achieved.

Councilmember Cotton moved to confirm a second public hearing in City Council Chambers before City Council on February 20, 2025 at 6:00 p.m., or as soon thereafter as may be heard. The motion was duly seconded and carried unanimously.

Contract and Subcontract Activity

OMB

Public reporting burden for this collection of information is estimated to average .5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The Information is voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB Control Number.

Executive Orders dated July 14, 1983, directs the Minority Business Development Plans shall be developed by each Federal Agency and the these annual plans shall establish minority business development objectives. The information is used by HUD to monitor and evaluate MBE activities against the total program activity and the designated minority business enterprise (MBE) goals. The Department requires the information to provide guidance and oversight for programs for the development of minority business enterprise concerning Minority Business Development. If the information is not collected HUD would not be able to establish meaningful MBE goals nor evaluate MBE performance against these goals.

Privacy Act Notice = The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the Information requested in this form by virtue of Title 12, United States Code, Section 1701 et seq., and regulation. It will not be disclosed or releved outside the United States Department of Housing and Urban Development without your consetn, except as required or permitted by Law.
