CFR JR. BEACH LIFEGUARD PROGRAM GUIDELINES

Parents -

Due to the strenuous nature of this program and the importance of providing a safe and nurturing environment for all participants, we ask that all parents review these guidelines with their children.

Program Hours: Campers should be dropped off at Tower 0 by 10:00 a.m. and picked up no later than 3:00 p.m. To keep all our campers safe, children must be checked in and signed out each day. Children may not be picked up by anyone other than those listed on their registration forms. Please be prepared to show a government issued photo ID.

Lunch: Campers must bring their own lunch daily. Campers should also bring a water bottle each day to stay hydrated. Tower 0 has a water bottle filler for refills during the day.

Attire: Appropriate swimsuit attire must be worn as well as flip flops or water shoes. All campers will receive a camp sun shirt which should be worn over their swimsuit. A water bottle, towel and sunscreen should also be brought each day. Mark all personal gear with a permanent marker.

Lifeguard Vehicles and Watercraft: Participants will be riding in lifeguard vehicles during daily operations and be given training on the Lifeguard Personal Rescue Watercraft as a crewperson. Participants will not operate watercraft or vehicles.

Cell Phones & Electronic Devices: Please do not allow children to bring cell phones, computers, electronic devices, games, toys or other expensive items to camp. Even under close supervision, these items tend to get damaged, lost or stolen. The city assumes no responsibility for the loss or damage of these items if brought to camp.

Refund Policy: All refund requests are to be made in writing and submitted to city staff. Refunds will not be considered for requests submitted less than 10 working days before the session begins or for children suspended or expelled due to behavior problems. A \$10 processing fee will be assessed on all refunds.

Sunscreen: Children will be participating in outdoor activities daily and will be exposed to the Florida sun. To avoid sunburns, it is recommended that parents apply a waterproof sunscreen to children each day before they come to camp and send in a spray bottle of sunscreen (labeled with the child's name) for later applications. Staff is not responsible for applying sunscreen to the children but will assist when needed.
