Dear Employee,

We are pleased to provide you the attached Summary of Benefits & Coverage (SBC) for the group medical plans offered to our eligible participants for the plan year which begins on January 1, 2025 and ends December 31, 2025.

Please be advised that an SBC is available for the plans being offered to our group plan participants and their eligible dependents. The SBC follows a prescribed format as established under the Affordable Care Act legislation and outlines the benefits of each medical plan in detail with definitions and descriptions.

SBC's are available for the following offered plans:

Carrier	Plan Name
Cigna	Open Access Plus Plan

Please refer to the SBC for further information about cost sharing responsibilities such as deductibles, copays, and coinsurance, as well as the selected network. Printed copies of the SBCs for all plans, as well as the standard glossary, are available free of charge in Human Resources. For a more comprehensive description of specific plan benefits refer to the Summary Plan Description (SPD). You may contact Human Resources at (727) 562-4870 with additional questions.

Sincerely,

Coverage Period: 01/01/2025 - 12/31/2025

Coverage for: Individual/Individual + Family | Plan Type: OAP

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go online at <u>www.cigna.com/sp</u>. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-800-Cigna24 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	For in-network providers: \$2,000/individual or \$4,000/family For out-of-network providers: \$2,000/individual or \$4,000/family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-network <u>preventive care</u> & immunizations, out-of-network preventive care & immunizations through age 15, office visits, <u>diagnostic test</u> , <u>prescription drugs</u> , emergency room visits, <u>urgent care</u> facility visits, in-network diagnostic mammogram, PAP & PSA test.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes, \$300 for out-of-network outpatient hospital visit and \$500 per admission for out-of-network hospital stay There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For in-network providers: \$3,500/individual or \$7,000/family For out-of-network providers: \$3,500/individual or \$7,000/family Combined medical/behavioral and pharmacy out-of-pocket limit	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Penalties for failure to obtain <u>pre-authorization</u> for services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes. See www.cigna.com or call 1-800-Cigna24 for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
