Disclosures Required for Medical Plan

Please read through the following pages which contain the notices listed below.

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. See page 2 for more details.

1) **Creditable Coverage Notice Part D –** notifies Medicare eligible individuals whether the employer's drug coverage is creditable or non-creditable.

2) **Patient Protection Disclosure -** notifies an employee of their right to choose a primary care provider or pediatrician when a plan requires that a primary care physician be designated.

3) **Women's Health Disclosures**
   a. **WHCRA Annual and Enrollment Notice -** provides protections to patients who choose to have breast reconstruction in connection with a mastectomy.
   b. **Newborns' and Mothers' Health Protection Act** – mandates the length of time a mother and newborn child are covered for a hospital stay in connection with childbirth.

4) **HIPAA Notice of Special Enrollment Rights** - allows you to enroll/disenroll in a medical plan under certain circumstances

5) **HIPAA Notice of Privacy Practices** – outlines an individual's rights regarding the privacy practices of their health plans and health care providers and how their personal health information is handled.

6) **Children's Health Insurance Program (CHIP) Notice** - provides information about premium assistance programs available from state Medicaid agencies.

7) **USERRA** - employment rights of those who take leave for military service or certain types of service in the National Disaster Medical System.

8) **No Surprises Billing Notice** – summarizes patient's protections from unexpected medical bills due to emergency services; services (emergency and non-emergency from out-of-network providers at in-network facilities and services from out-of-network air ambulances.

9) **Michelle's Law** - governs medical leave for college students.

Notice of Creditable Coverage

Important Notice from City of Clearwater About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Clearwater and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. City of Clearwater has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Clearwater coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits.

If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents will be able to get this coverage back during the annual enrollment period.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the City of Clearwater and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Clearwater changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Date: September 19, 2025
Name of Entity: City of Clearwater
Contact: Human Resources Department
Address: 100 N Osceola Avenue, Clearwater, Fl 33755
hone Number: 727-562-4870

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Disclaimer

The amount the plan pays for covered services provided by non-network providers is based on a maximum allowable amount for the specific service rendered. Although your plan stipulates an out-of-pocket maximum for out-of-network services, please note the maximum allowed amount for an eligible procedure may not be equal to the amount charged by your out-of-network provider. Your out-of-network provider may bill you for the difference between the amount charged and the maximum allowed amount. This is called balance billing and the amount billed to you can be substantial. The out-of-pocket maximum outlined in your policy will not include amounts in excess of the allowable charge and other non-covered expenses as defined by your plan. The maximum reimbursable amount for non-network providers can be based on a number of schedules such as a percentage of reasonable and customary or a percentage of Medicare. The plan document or carrier's master policy is the controlling document, and this Benefit Highlight does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual plan language. Contact your claims payer or insurer for more information.

This document is an outline of the coverage proposed by the carrier(s), based on information provided by your company. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. The policies and contracts themselves must be read for those details. Policy forms for your reference will be made available upon request.

The intent of this document is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. It does not necessarily fully address all of your specific issues. It should not be construed as, nor is it intended to provide, legal advice. Questions regarding specific issues should be addressed by your general counsel or an attorney who specializes in this practice area.

Annual Disclosures

Patient Protection Disclosure

If the Group Health Plan generally requires the designation of a primary care provider, you have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the carrier or from
any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in the network who specializes in obstetrics
or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

For a list of participating health care professionals who specialize in obstetrics or gynecology, or for information on how to select a primary care provider, and for a list of the participating primary care providers, contact the Plan Administrator or refer to the carrier website.

It is your responsibility to ensure that the information provided on your application for coverage is accurate and complete.
Any omissions or incorrect statements made by you on your application may invalidate your coverage.

The carrier has the right to rescind coverage on the basis of fraud or misrepresentation.

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 ("WHCRA"). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan.

If you would like more information on WHCRA benefits, please contact your Plan Administrator.

Newborns' and Mothers' Health Protection Act Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

HIPPA Special Enrollment Rights

City of Clearwater Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the City of Clearwater Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program)

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid
or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact City of Clearwater Human Resources Department:

100 N Osceola Avenue, Clearwater, Fl 33755
(727) 562-4870

Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a
new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

Notice of Privacy Practices for Protected Health Information

Effective Date: September 18, 2025

This Notice of Privacy Practices describes how medical information about you may be used and disclosed and how you can access this information. Please review it carefully.

Our Commitment to Your Privacy:

We understand that your health information is personal, and we are committed to maintaining its confidentiality. We are required by law to protect your health information and provide you with this Notice that explains our privacy practices regarding your Protected Health Information (PHI). PHI includes any individually identifiable information about your health status, healthcare provision, or payment for healthcare services.

Uses and Disclosures of Your Health Information:

We may use and disclose your health information for a variety of purposes, including healthcare operations. The following examples provide a general overview of the types of uses and disclosures that may occur:

1. **Business Associates:** We may disclose your health information to third-party individuals or organizations that perform services on our behalf, known as business associates. These business associates must also protect the privacy of your health information.
2. **Required by Law:** We may use or disclose your health information when required by law, such as reporting certain diseases or injuries, or as part of a legal proceeding.
3. **Workers Compensation:** We may disclose your PHI as authorized by, and as necessary to comply with, laws relating to workers' compensation or similar programs established by law.
4. **Judicial and administrative proceedings:** If you or your PHI are involved in a lawsuit or a dispute, we may disclose your PHI in response to a court or administrative order and, under certain conditions, we may also disclose your PHI in response to a subpoena, discovery request or other lawful processes by someone else involved in the dispute.
5. **Healthcare Operations:** Healthcare operations include, but are not limited to, quality assessment and improvement, reviewing competence or qualifications of healthcare professionals, underwriting, premium rating, and other insurance activities relating to creating or renewing insurance contracts. It also includes disease management, case management, conducting or arranging for medical review, legal services, and auditing functions including fraud and abuse compliance programs, business planning and development, business management, and general administrative activities. For example, we may use PHI in your treatment record to monitor the performance of the healthcare providers providing treatment to you. For example, medical audits are performed by a third party to ensure accurate billing and payments.

6. **Military and veterans:** If you are a member of the armed forces, we may release your PHI as required by military command authorities. We may also release PHI about foreign military personnel to the appropriate military authority.
7. **Victims of abuse, neglect, or domestic violence:** We may disclose your PHI to a government authority, such as a social service or protective services agency if we reasonably believe you are a victim of abuse, neglect, or domestic violence. We will only disclose this type of information to the extent required by law if you agree to the disclosure, or if the disclosure is allowed by law and we believe it is necessary to prevent serious harm to you or someone else or the law enforcement or public official that is to receive the report represents that it is necessary and will not be used against you.

Your Rights Regarding Your Health Information:

You have certain rights regarding your health information. These rights include:

1. **Right to Access**: You have the right to request and receive a copy of the health information that we maintain. However, there may be certain exceptions to this right, which we will explain upon your request.
2. **Right to Request Restrictions:** You have the right to request restrictions on certain uses and disclosures of your health information. We will consider your request, but we are not required to agree to the restrictions unless it relates to certain disclosures to a health plan for payment or healthcare operations purposes.
3. **Right to Request Confidential Communications**: You have the right to request that we communicate with you about your health information in a certain way or at a certain location to maintain your privacy. We will accommodate reasonable requests whenever possible.
4. **Right to Amend:** If you believe that your health information is incorrect or incomplete, you have the right to request an amendment to it. We will consider your request but may deny it if we believe that the information is accurate and complete.
5. **Right to an Accounting of Disclosures:** You have the right to request a list of certain disclosures of your health information that we have made. This list will not include disclosures made for treatment, payment, or healthcare operations, among other exceptions.

Our Duties:

We are required by law to maintain the privacy of your health information and provide you with this Notice of Privacy Practices. We are also required to abide by the terms of this Notice, which may be revised periodically.

Complaints:

The Department of Health and Human Services (H.H.S.) governs your rights under H.I.P.A.A. and privacy concerning your personal health information. If you believe your privacy rights have been violated, you may file a complaint directly with the H.H.S. or with us for immediate remedy. We do not retaliate against any persons exercising their right to file a complaint.

If you have any questions about this Notice contact Human Resources

Department:

100 N Osceola Avenue
Clearwater, Fl 33755

(727)562 - 4870

U.S. Department of Health and Human Services

200 Independence Avenue, S.W.
Room 509F HHH Bldg.
Washington, D.C. 20201

Additional Information About This Notice

Changes to this Notice: We reserve the right to change the Health Plans' privacy practices as described in this Notice. Any change may affect the use and disclosure of your PHI already maintained by the City of Clearwater Health Plans, as well as any of your PHI that the Health Plans may receive or create in the future. If there is a material change to the terms of this Notice, you will automatically receive a revised Notice.

How to obtain a copy of this Notice: You can obtain a copy of the current Notice from the Human Resources Department or on our intranet site at http://clearwater/Policies/Admin/HR/HIPAA.pdf.

No guarantee of employment: This Notice does not create any right to employment for any individual, nor does it change the City's right to discipline or discharge any of its employees in accordance with its applicable policies and procedures.

No change to Health Plan benefits: This Notice explains your privacy rights as a current or former participant in the City of Clearwater Health Plans. The Health Plans are bound by the terms of this Notice as they relate to the privacy of your PHI. However, this Notice does not change any other rights or obligations you may have under the Health Plans. You should refer to the Health Plan documents for additional information regarding your Health Plan benefits.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

YOUR RIGHTS UNDER USERRA

THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

REEMPLOYMENT RIGHTS

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- ☆ you ensure that your employer receives advance written or verbal notice of your service;
- ☆ you have five years or less of cumulative service in the uniformed services while with that particular employer;
- ☆ you return to work or apply for reemployment in a timely manner after conclusion of service; and
- ☆ you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION

If you:

- ☆ are a past or present member of the uniformed service;
- ☆ have applied for membership in the uniformed service; or
- ☆ are obligated to serve in the uniformed service;

then an employer may not deny you:

- ☆ initial employment;
- ☆ reemployment;
- ☆ retention in employment;
- ☆ promotion; or
- ☆ any benefit of employment

because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

HEALTH INSURANCE PROTECTION

- ☆ If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.

- ☆ Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

ENFORCEMENT

- ☆ The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

- ☆ For assistance in filing a complaint, or for any other information on USERRA, contact VETS at **1-866-4-USA-DOL** or visit its website at https://www.dol.gov/agencies/vets/. An interactive online USERRA Advisor can be viewed at https://webapps.dol.gov/elaws/vets/userra

- ☆ If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.

- ☆ You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the internet at this address: https://www.dol.gov/agencies/vets/programs/userra/poster Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services
If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

Additionally, Florida law protects patients with coverage through a Health Maintenance Organization ("HMO") from balance billing for covered services, including emergency services, when the services are provided by an out-of-network provider.

Certain services at an in-network hospital or ambulatory surgical center
When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia,

pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

Additionally, Florida law also protects patients with coverage through Preferred Provider Organization ("PPO") or an Exclusive Provider Organization ("EPO") from balance billing for covered services provided at hospitals, urgent care centers or ambulatory care centers for (1) emergency services and (2) non-emergency services provided at an in-network facility by an out-of-network provider if the patient did not have the opportunity to choose an in-network provider. This protection only requires patients to pay their in-network cost sharing amounts.

When balance billing isn't allowed, you also have these protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.

- Generally, your health plan must:
    - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
    - Cover emergency services by out-of-network providers.
    - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
    - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed, you may contact:

- The U.S. Centers for Medicare & Medicaid Services (CMS) at 1-800-MEDICARE (1-800-633-4227) or visit https://www.cms.gov/nosurprises for more information about your rights under federal law.

- The Florida Department of Financial Services, Division of Consumer Services at 1-877-MY-FL-CFO.

Good Faith Estimate

You have the right to receive a "Good Faith Estimate" explaining how much your medical care will cost.

Under the law, healthcare providers need to give **patients who don't have insurance or who are not using insurance** an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. This includes related costs like medical tests, prescription drugs, equipment and hospital fees.
- Make sure your healthcare provider gives you a Good Faith Estimate in writing at least one business day before your medical service or item. You can also ask your healthcare provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least $400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

Get More Information

For questions or more information about your right to a Good Faith Estimate, visit cms.gov/nosurprises or call 1-800-MEDICARE (1-800-633-4227).

Michelle's Law

The law allows for continued coverage for dependent children who are covered under your group health plan as a student if they lose their student status because of a medically necessary leave of absence from school. This law applies to medically necessary leaves of absence that begin on or after January 1, 2010.

If your child is no longer a student, as defined in your Certificate of Coverage, because he or she is on a medically necessary leave of absence, your child may continue to be covered under the plan for up to one year from the beginning of the leave of absence. This continued coverage applies if your child was (1) covered under the plan and (2) enrolled as a student at a post-secondary educational institution (includes colleges, universities, some trade schools and certain other pot-secondary institutions).

Your employer will require a written certification from the
child's physician that states that the child is suffering from a serious illness or injury and that the leave of absence is medically necessary.

Section 111 – Effective January 1, 2009 Group Health Plans are required by Federal government to comply with Section 111 of the Medicare, Medicaid, and SCHIP Extension of 2007's new Medicare Secondary Payer regulations. The mandate is designed to assist in establishing financial liability of claim assignments. In other words, it will help establish who pays first. The mandate requires Group Health Plans to collect additional information, more specifically Social Security Numbers for all enrollees, including dependents six months of age or older. Please be prepared to provide this information on your Benefit Enrollment Form when enrolling into benefits.
