ATTENTION: MARINE CONTRACTORS

The City of Clearwater now has a program relating to electrical work on docks and davits. The marine contractor's permit and inspection will not be held up for electrical work not being completed if the following is true:

- The contractor provides us with an affidavit from the owner, using the attached affidavit or one similar to it at time of permitting.
- No electrical work is done or required.

If you have any questions, please contact us at (727) 562-4567 and ask for plan review.
