Sec. 47.181. Sidewalks required for new construction and major alterations or additions.

(1) *Generally.* To secure safety from traffic and other similar dangers, to provide areas which can be utilized by pedestrian traffic and to promote the general welfare and safety of the public, all new developments and major alterations to structures within the city that abut a public right-of-way shall provide a sidewalk or sidewalks constructed on, across or adjacent thereto as provided in this article. The Owner understands and agrees that, by Payment in Lieu of Sidewalk, the City reserves the right to install sidewalks at a future date.
